This calendar is designed to help student organizations plan ahead for the year. Because dates for particular events change from year to year, only general time frames are listed. Specific dates for a given year will need to be researched by the organization.

On-going applications, proposals, etc:
- Annual Review Form (ARF) (must be completed each time Officer/Advisor contact information changes or they are replaced)
- Organization orientations (provided by Student Involvement)
- Treasurer training (provided by Student Organization Financial Services [SOFS])
- Event Planning and Registration consultation (required for all events; provided by Student Involvement)
- Fund Allocation Committee (FAC) funding proposals (must be submitted five weeks in advance of event; reviewed by FAC – part of University Program Council [UPC])
- Updates to organization constitution or changes of organization name are submitted, reviewed and approved by Association of Students at the University of Nebraska [ASUN]
